

## Communication Support for People with Aphasia

### When?

Tuesday, May 26, 2026, from  
8:00 am - 3:00 pm Eastern

### Where?

Online workshop via Microsoft Teams  
(a link will be sent before the event)

Register using the following link or QR code:

[https://crsn.ca/en/?option=com\\_rsform&view=rsform&formId=119](https://crsn.ca/en/?option=com_rsform&view=rsform&formId=119)

Participants will learn about some of the communication disorders that can happen post-stroke and how to apply principles of Communication Support in keeping with the **Canadian Stroke Best Practice Recommendations**

Guided by presentations from:

- **Joanne Winckel**, SLP with the Aphasia Centre of Ottawa
- **Karen Mallet**, SLP, Best Practice Team for CRSN

By the end of the session, participants will be able to:

- Discuss post-stroke communication disorders
- Describe the impact of language barriers on communication and interaction
- Apply basic principles of communication support for people with aphasia
- Use a pictographic resource

The event is free, but registration is required. For more information contact [educcord@crsn.ca](mailto:educcord@crsn.ca)

Registration is currently limited to healthcare professionals working in the Champlain Region
